

## Convention Deadlines Notice

As we approach the AFR Convention Feb. 19-21, several deadlines are upon us. First, Credentials are due to the County President in your county no later than this Thursday, Feb. 4. Credentials are due to the AFR state office no later than Friday, Feb. 12 – NO EXCEPTIONS. Please do not wait to send your credentials if at all possible as the delegate list will be provided to the vendor shortly after 5 p.m. on Friday to process the bar-coded delegate badges and get them back to us in time for convention.

Ticket orders are due no later than Monday, February 8. Both purchased and complimentary event tickets must be reserved in advance and tickets will be taken at the door for all ticketed events for entry. Wallet name badge holders will be used this time that allow convention attendees to put their tickets in the badge holder for safe keeping for each event.
